*"Riding a horse is not a gentle hobby, to be picked up and laid down like a game of solitaire. It is a grand passion. It seizes a person whole and, once it has done so, he will have to accept that his life will be radically changed."
Ralph Waldo Emerson*

October 24, 2006

Great news...with show season just a few short months away...starting next month, November, **Silver Creek is so proud to announce a continuing association now with horse trainer and outstanding coach Sean Zimmerman.** If you will remember we brought Sean in for a 'spit shine' last year right before our district and state competition and everyone was very pleased with the resulting wins for our youth team.

To recap Sean's show and training career in a few sentences would be impossible, but very quickly: Sean Zimmerman Show Horses, established in Roxie, MS is the family home of Sean, wife Mandy and son Casey. Training and showing has been Sean's life and he has accolades ranging from his own wins, (one I remember well when he stood #1 of over 400 entries at the Dixie National in Showmanship, a huge win, and himself as the MS Youth All Around, #1 at the 2Year Old NSBA in Tulsa, MS Futurity Open and Limited Open winner) to, as an adult, recently coaching youth contestants to 'top ten' finalists positions at the largest shows in the country, the AQHA Congress, Houston Livestock Show, Tulsa Holiday Circuit, what they call the World show...we could go on and on here...

I told you it was too much to list and explain...what does all that mean to us??? *It means that he is just the one to take our advanced youth on to the next level(s).* We are totally pleased that he considers us worthy and that he found our facility and group to be workable...makes me somehow feel like a proud mother hen...:>)

Sean will be commuting certain days weekly...*in addition to coaching the advanced youth group, Sean will be accepting horses for advanced show training on a first come basis. Please contact the office for appointments with Sean.*

Come learn with us...bring your friends:>)
